

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the Coast Guard must consider whether this proposal will have a significant economic impact on a substantial number of small entities. "Small entities" may include: (1) Small businesses and not-for-profit organizations that are independently owned and operated and are not dominant in their fields and, (2) governmental jurisdictions with populations of less than 50,000.

For the reasons addressed in the regulatory evaluation above, the Coast Guard expects the impact of this regulation to be minimal and certifies under Section 605(b) of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) that this final rule will not have a significant economic impact on a substantial number of small entities.

Collection of Information

This final rule does not provide for collection of information requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Federalism

The Coast Guard has analyzed this final rule under the principles and criteria contained in Executive Order 12612 and has determined that this final rule does not raise sufficient federalism implications to warrant the preparation of a Federalism Assessment.

The Coast Guard has considered the environmental impact of these regulations and concluded that, under Figure 2-1, paragraph 34(g) of Commandant Instruction M16475.1C, this rule is categorically excluded from further environmental documentation.
